

Lydiard Millicent Neighbourhood Plan

1. The Neighbourhood Plan has now completed the first step on the route to being finalised. We completed Reg 14 consultation on 10th February and the replies both from the Statutory Consultees and local people have been analysed by our consultants and ourselves. The latest version of the plan has been amended to reflect any advice and suggestions that were that were thought to be valid.
2. The next step we now have to take is to submit the Plan to Wiltshire Council Forward Planning for their (Reg 16) consultation.
3. While the Plan is out for Reg 16 Consultation (six weeks) Wiltshire Planning will appoint an independent examiner. After the examination is passed, we can then go to referendum. We would expect this to be about September/October. A simple majority of those voting must be in favour of having a plan.
4. Before we can submit the Plan to Wiltshire, we need the approval of the Parish Council.
5. I therefore propose that the Council approve the submission of the Plan to Wiltshire Planning.

Cllr Mike Sharp,
Chair, Lydiard Millicent Neighbourhood Plan Steering Group.

Full Council
March 2019
