LYDIARD MILLICENT PARISH COUNCIL

HIGHWAYS & PATHWAYS WORKING GROUP (HWG)

PROPOSAL FOR RENEWAL OF THREE STREET SIGNS AT THE ELMS

1. PURPOSE

This paper is for submission to the Parish Council on 14th March 2019 as a proposed Resolution to purchase three street signs for The Elms at an estimated budget of £350 including fitting.

2. BACKGROUND

Residents at The Elms have requested renewal of dilapidated street signs. The existing signs are shown below. They are street signs and not to be confused with highway signs.

Existing street signs at The Elms

3. DESIGN OF NEW SIGNS

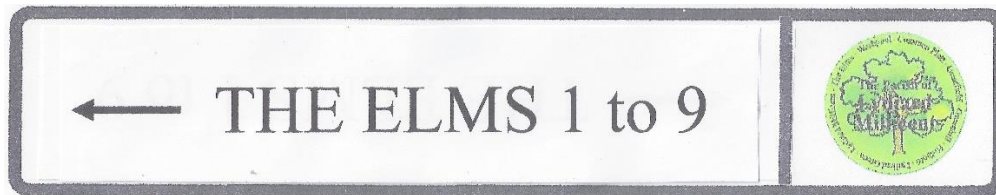

The new signs will have the Parish logo incorporated, and the house number range has been requested. The signs will aid clarity for delivery firms and visitors and present a smarter image for the area, as well as emphasising its status as a part of the Parish.

The design of the new signs incorporates the Parish logo. The font is as shown in the photo below *font example". This conforms to the font of most street signs in the area.

Font to be used

Quantity: 2

Quantity: 1

4. SPECIFICATION

Dimensions: to fit existing metal posts [tba]

Description: Flat composite aluminium panel carrying vinyl graphics and a digital print logo to face.

Font: as shown in example photo above.

The logo colour: is as used for the footpath signs installed at Holborn.
